

COST REDUCTION PROGRAM

FOR PROFESSIONAL SERVICES WITH LISA KUBIE, PMHNP-BC.

Arcadia Counseling Center has established a cost reduction program for those whose annual gross family income is insufficient to pay the standard fees (as stated in the “ACC Fee Agreement”). The program is based upon the following sliding scale:

<u>Gross Family Income</u>	<u>Counseling Fee</u>	<u>Initials</u>
Less than \$35,000- - - - -	\$115.00	_____
\$35-55,000- - - - -	\$135.00	_____
\$56-75,000- - - - -	\$155.00	_____
\$76,000 and over- - - - -	\$175.00	_____

If you meet the criteria for fee reduction based upon this scale, ***please circle the counseling fee for which you qualify and initial to the right***; this affirms the fee that you will pay per session. Otherwise, the standard fee will be charged for each counseling service provided (as outlined in the “ACC Fee Agreement”).

Counseling fees must be paid at the time of service. Cash, check or credit cards are accepted. Upon request, a receipt can be provided to submit to your insurance company; however, it is not our responsibility to file claims on your behalf or to confirm whether your insurance company will reimburse you for our services.
